

Local passionate farmers and producers are our heroes.

This menu celebrates their extraordinary fresh produce in all its glory.

Our 'Super Hot' chillies are lovingly grown and painfully dried exclusively for us in Carnarvon.

Our chicken is fried in 100% GMO-free cold pressed canola oil from Kojonup.

Our organic bread is baked in a 100 year old woodfired oven in Maylands.

Our organic gluten free buns are also local and made with hand-milled flour.

Our sides and sauces are house-made with the same ethos.

After all, life's too short not to be enjoying the very best.

We trust that you will appreciate this attention to love as much as we do.

Hot chicken, baby!
